If interested, Steve Siegel (VLSG's Common Counsel) indicated that the 3 of us could talk for a few minutes on Monday afternoon specifically about the Keystone Gravel Co. and its ownership of the Site property. Let me know.

Dion,

Do I understand correctly that the Community Interviews that are scheduled for next week are one-on-one discussions, by appointment only? If there was going to be some form of open public discussion I might have someone attend.

Mike
